

# Passive Bass Extension **G Sub 1801**

The G Sub 1801 is a universal 18" high-power subwoofer with truck-load compatible outside dimensions. The 58 x 75 cm footprint makes set-up with a loudspeaker pole mounted on the sub possible with even quite large mid-high systems. Mechanical and acoustic compatibility with the G Sub 1802 and Galeo C Sub allow a wide and versatile range of combination possibilities. This subwoofer combines very good handling with exceptional acoustic precision and depth of frequency.

## PRODUCT SPECIFICATIONS
